As is usual with a quiz, commenting without reading earlier comments:

1. Citizens United v. FEC
2. United States v. Carolene Products (footnote 4)
3. District of Columbia v. Heller
4. Marbury v. Madison
5. Brown v. Board of Education
6. Roe v. Wade
7. Bush v. Gore
8. Bowers v. Hardwick
9. New York Times v. Sullivan
10. Kelo v. City of New London

Nice!

Without cheating (but with having to look up the meaning of one emoji), I came up with:

...

1. Citizens United v. Federal Election Commission
2. United States v. Carolene Products (footnote 4)
3. District of Columbia v. Heller
4. Marbury v. Madison
5. Brown v. Board of Education
6. Row v. Wade
7. Bush v. Gore
8. Bowers v. Hardwick
9. New York Times v. Sullivan
10. Kilo v. City of New London

This is the best thing that has ever been on Volokh Conspiracy. Professor, I hope you take that as a compliment and not as criticism.

But having gotten all of these (took me some hard pondering on my commute), I don't understand how the snake-with-apple emoji translates to the sound it's given. Maybe it will hit me eventually.

I got quite a few of them, and kicked myself for some of them that I missed. I especially liked 2.
